

LOCALLY GROWN

handcrafted pizza. homegrown company.

Just like an heirloom tomato from a Kentucky garden, we've been planted here awhile. Smashing Tomato was born in Lexington with an emphasis on providing traditional, wood-fired Neapolitan pizza--using the freshest ingredients possible--to our guests. Try it, we'll make you Kentucky proud.

Certification from the world-renowned Verace Pizza Napoletana in Naples Italy guarantees that our pizza meets exacting standards resulting in the world's most authentic Neapolitan pizza!

HOMEMADE WOOD-FIRED

certifiably delicious.

All natural, non-processed ingredients. Dough made right here in Lexington, with Caputo flour imported from Naples. A blistering 800° wood-burning oven. 400 years of Italian tradition in every handcrafted pizza. What's not to love? We're 100% committed to the Neapolitan art of making every pizza the perfect pizza.

ALL NATURAL

our guests deserve the best. naturally, we made it happen.

We're always striving to make our food better. Now, ALL of our ingredients from sun-dried tomatoes--dried naturally in the sun and not with chemicals--to meats, cheeses, and salad dressings, are **free of preservatives, artificial flavors and colors.** No worries--the only thing we add is love!
